

PUBLIC MEETING

ADOT WINTER STORM MANAGEMENT

The Arizona Department of Transportation is currently soliciting public input regarding the Draft Winter Storm Management Environmental Overview that will be used to guide winter storm operations statewide. Interested members of the public are invited to attend a public meeting on **Wednesday, May 21st** to receive project information and provide input. Project team members will be available to answer questions. **Open house begins at 5:00 p.m. with a short presentation at 5:30 p.m.** Display boards and handouts that detail the project schedule, alternatives, and benefits will be available.

For additional information, visit our project website at: www.azdot.gov/Highways/NResources/Winter_Storm_Management.asp

A virtual snowplow simulator will be available for the public to operate.
